

Graphics Innovator provides unique options for the client to pay for the services. There is no need to set up an account or any type of advance payment options to obtain the services from Graphics Innovator. After a batch of work is done, an invoice is sent to the client. The client will have the option to pay by PayPal using a credit card or Bank Transfer. The invoice that is sent by **Graphics Innovator** is simple and contains all the information necessary for making the payment.

1. PayPal

We accept payment via PayPal, Credit/Debit Card. You can directly send us your payment to **payment@graphicsinnovator.com**

2. Bank/Wire transfer

Bank/Wire Transfer After completion of the orders we will send you an invoice which will contain all the payment information including banking details.

And if have any question about the our billing please feel free to contact with us to: **billing@graphicsinnovator.com**
